1. This mare is booked by name and the breeding is valid to this mare and mare owner only. This contract is NOT TRANSFERABLE.
2. The mare owner agrees to use the FROZEN semen only on the mare named above in this contract, and shall have a licensed veterinarian verify in writing that the

shipped semen has been used only to inseminate the mare named above in this contract. Frozen Semen will only be shipped to a veterinarian who has the capability to store frozen semen properly.

3. The mare's health condition is the responsibility of the Mare Owner. A uterine culture is recommended before breeding the mare. PLEASE note that not every mare is a suitable candidate for breeding with frozen semen. This substitute mare shall be bred under the same terms and conditions as the original mare.
4. A non-refundable booking fee of \$200.00 is due with this contract. The Mare Owner/Agent shall pay the complete dose fee of \$1800.00 before any straws are shipped. The lab will not ship any semen until all fees have been paid to Stallion Owner. Stallion Owner is NOT responsible for shipping delays and/or mistakes or breakage.

A licensed veterinarian must also verify that the mare was kept in adequate facilities and in reasonably good health during the pregnancy.
